

**ASA Flotilla 2010, Pine Island Sound FL**  
**March 20 –27, 2010**

**PIRATE WARNING**  
**Team Jeff & Jean**

*Warning:* It is been learned through spies that a Flotilla of Pirate ships will be on the loose in the Charlotte Harbor and Pine Island Sound area during the week of March 20, 2010. Their ships can be identified as those flying an ASA banner and possibly the Jolly Roger. They are expected to be pillaging for Loot over the course of the week trying to out do each other.

We have learned that Friday evening, March 26th, the Pirates and their ships will gather in the Pelican Bay anchorage of Cayo Costa Island to determine who will be named “The Dread Pirate”. They will be dressed like a gang of Pirates who haven’t lived ashore in over a week.

The Captains and Crews will be meeting to determine which Pirate ship has accumulated the most Loot over the course of their cruise. The Ship with the most Loot wins the Title of “Dread Pirate”, gets a nice gift from ASA, and has bragging rights for the year. The Illustrious Title of Dread Pirate is currently held by the scallywag crew from “It’s A Dream”, the Rissel family.

Loot will be kept in a chest aboard a Galleon and will be distributed over the week by Pirate King & Queen Jeff & Jean. Pirates earn Loot by observing, accomplishing tasks, participating in activities and possibly swiping some from fellow Pirate’s Loot bags (Note to Pirates: recommend keeping your Loot Bag secure at all times).

*More details will be given at Burnt Store kick off.*
